

## Reset Fuel Card Terms and Conditions

### Reset Individual Cardholders Exclusive Rates

#### **Diesel**

Fuel card type: FastFuel Card | Texaco, BP, Esso, Shell, Fleetone and Fuelplus only

Saving: 3p per litre off pump price

Additional fees: Non

\*Diesel purchased at supermarkets will be charged at the pump price.

#### **Unleaded**

Fuel card type: BP, Esso, Shell only

Saving: 2p per litre off pump price

Additional fees: Non

\*\*Unleaded purchased on UK Fuels and FastFuel cards may be charged at the pump price.

### Rates for Non-Reset Cardholders

#### **Diesel**

Fuel card type: FastFuel Card | Texaco, BP, Esso, Shell, Fleetone and Fuelplus only

Saving: 2p per litre off pump price

Additional fees: £2.50 per card, per month

#### **Unleaded**

Fuel card type: BP, Esso, Shell only

Saving: 1p per litre off pump price

Additional fees: £2.50 per card, per month

All Reset fuel cards must be in the name of the Reset Individual Cardholder. Anything else such as vehicle registrations, pool car, or other generic description (if not a cardholder name) will be subject to the non-Reset cardholder rates of 2p per litre (diesel) and 1p per litre (unleaded) off pump price and an admin fee of £2.50, per card, per month.

Cards ordered in addition to the number of registered individual cards will be added to a separate account and billed at the non-Reset Individual Cardholder rate (see above).
